# Co-ops donate \$15,000 to Children's Museum

## VERENDRYE ELECTRIC COOPERATIVE

Verendrye Electric Cooperative recently teamed up with CoBank and Basin Electric Power Cooperative to donate \$15,000 to the Magic City Discovery Center to help build a children's museum in Minot.

Each organization donated \$5,000 to the project. CoBank, a cooperative bank headquartered near Denver, is one of Verendrye's lenders. The bank matched Verendrye's \$5,000 donation through its Sharing Success program.

Basin Electric, headquartered in Bismarck, is an electric cooperative that generates power for distribution cooperatives like Verendrye across 9 states. Verendrye and 140 other electric cooperatives own Basin Electric. Basin also matched Verendrye's \$5,000 donation.

"Verendrye Electric is proud to be a part of this project that will help children learn and have fun," said Verendrye Manager Randy Hauck. "We're thankful to have partners like CoBank and Basin Electric who contribute to the communities they serve."

Verendrye Electric Cooperative recently presented a \$15,000 check to the Magic City Discovery Center. Verendrye, CoBank and Basin Electric each contributed \$5,000. Devils Lake elevation: 1,448.68 feet above mean sea level (MSL).

Stump Lake elevation: 1,448.71 MSL.

- N.D. Game & Fish Dept. game wardens: Look for some activity at Antelope and Clear lakes. Devils Lake spotty for walleye with continued good numbers of small fish. East end of Lake Sakakawea spotty for walleye. Van Hook Arm and New Town area remains spotty and inconsistent for walleye.

- Devils Lake, Ed's Bait Shop, Devils Lake: Steady walleye success. Try west around Grahams Island or Howard's Bay using slip bobbers and bottom bouncers with leeches. Look for continued white bass activity.

- Devils Lake, Woodland Resort, Devils Lake: Continued good for small walleye so move around to locate larger fish. Try spinners and bottom bouncers in 25 feet yet work as shallow as 4 feet. Pike bite slowed.

- Lake Darling, Karma C-Store, Ruthville: Limited Lake Darling reports.
- Lake Darling, Upper Souris Nat'l. Wildlife Refuge, Foxholm: Some fishing activity but limited reports.

- Lake Metigoshe, Four Seasons, Bottineau: Improving bluegill success with a few larger fish now showing up. Work shallow areas along the weed beds. Look for some evening walleye activity.

- Lake Sakakawea/Lake Audubon, Cenex Bait & Tackle, Garrison: Fair to good walleye success on the east end of Lake Sakakawea. Work deeper water in the mouth of bays and main lake structure. Try 8 to 12 feet working out to 35 feet with a variety of presentations and bait. Improving salmon success along the east end along the south shore. No Lake Audubon or Missouri River reports.

- Lake Sakakawea/Lake Audubon, 6-Mile Bait & Tackle, Garrison: Continued fair to good walleye success on the east end of Lake Sakakawea. Try live bait working around sunken islands from the Highway 83 embankment to the west. Lake Audubon slowing for

walleye but good smallmouth bass. Work gravelly, rocky flats in about 8 to 10 feet.

- Lake Sakakawea, Indian Hills Resort, Garrison: Some nice, larger walleye now showing up. Work deep in 20 to 23 feet using spinners and bottom bouncers with nightcrawlers or leeches. Move around with no particular location for schooling.

- Lake Sakakawea, Scenic 23, New Town: Fair walleye success throughout the Van Hook Arm but anglers working harder to find larger fish with good numbers of smaller ones. Try variety of depths and presentations.

- Lake Sakakawea, Van Hook Resort, New Town: Scattered walleye success working a variety of depths from shallow out to 25 and 30 feet. Try pitching jigs in the shallows with slow death hooks or spinners and nightcrawlers in deeper water. Move around.

- Lake Sakakawea/Missouri River, Scott's Bait & Tackle, Pick City: Missouri River continues producing walleye during the day from boats using slow death hooks and nightcrawlers or jigs and minnows. Try spillway channel, spillway inlet, or cable crossing. Best success remains before 10 a.m. Some catfish and trout mixed in. Try 3-way swivels in the chutes. Shore bite slowed but try the rocks in the evening casting crankbaits. Not many reports from the wing walls. Lake Sakakawea fair for walleye on the east end but move around and locate active schools. Best success also in the morning. Try 20 to 25 feet along the Riverdale Bluffs but also try Mallard Island, Douglas Bay, 3 bays west of Sakakawea State Park, or Wolf Creek. Salmon bite remains tough. Try 65 to 90 feet or as deep as 100 feet around Deadman's Bay using a variety of presentations.

- Lake Sakakawea/northwest N.D. lakes, Scenic Sports, Williston: Try Lund's Landing or the guard camp for walleye working deep in about 25 feet with crankbaits or spinner rigs with nightcrawlers or minnows. Cleaner water is down river around the Van Hook Arm. Try jigging for walleye. Yellowstone River dropping with a decent catfish bite.

- Lonetree WMA area lakes, Harvey: No new reports.
- North-central/central N.D.

# Prairie Village Museum hosts Village Fair on August 11

## THE PRAIRIE VILLAGE MUSEUM

The Prairie Village Museum will celebrate its 34th Annual Village Fair this weekend in Rugby. The full day event takes place at the Museum grounds where the 20+ buildings come alive with demonstrations, costumed characters, food trucks, music, art shows, and more. Historical Society members get in free as do active duty military members. All others pay at the door. Memberships can be purchased on the day of the Fair. The Fair starts with a pancake and sausage breakfast at 9:00 am served by Rugby Broadcasters. Demonstrations will take place throughout the day in the village and kids are welcome to take part and get hands on with all of them.

Blacksmithing, butter churning, hand washed laundry, horse rides, and more will be available this year. There will also be a turning lathe and small engine demonstrations in the afternoon. As people explore the village you will find people who worked and went to school in the buildings there to talk with you about life as a student in the Silva School or life as the telephone operator in the Bottineau telephone office. Several options for food are available. After the pancake breakfast there will be snacks like pickles on a stick, penny candy, root beer floats, ice cream sundaes, popcorn and old tyme sarsaparilla and cream soda. Henry's 90Wt Ribs and Deb's food trucks will be serving all day including ribs, brisket, kraut burgers, and loaded hot dogs.

Music will be featured in the Saloon and other buildings throughout the day. Minot native Jerry Schlag and the JMB Band will play in the morning and the early afternoon in the gazebo bringing the village alive with polka and other traditional music. Other local Rugby talent will be playing piano in the soda fountain and the saloon. This summer's kids camp efforts will be on display as well. The Kids Art Camp will have their art show in the new German Russian Heritage Building all day. The German Russian Kids Camp attendees will show off their traditional dance skills at 2pm at the Gazebo. Kids and adults alike will get the change to try their hand at Ham Radio with the help of the

Devils Lake Ham Radio club who will have their antenna and booth set up all day. The Germans from Russian Heritage Building will be open to the public. The building is nearing completion, and this is the first time that the public will get to see the local groups efforts at fundraising and building their new Heritage Hall. The Hall will host its first event on September 15th with Dr. Eric Schmaltz from Oklahoma State University delivering the inaugural lecture.

The Geographical Center Historical Society's mission is to document, preserve and interpret the history and ongoing story of North Central North Dakota for the people of the region and for visitors from around the world, through educational and entertaining programming and through displays of artifacts and historic buildings at Prairie Village Museum. More information about our programs and exhibits available on our website or check out our social media.
