This will be our final bull sale ...

After much thought and soul searching, we have decided this will be our last bull sale. We will remain in the purebred Angus business, but will find alternative marketing options for our bulls and females.

We appreciate your dedication to the Reich Angus program the past 20 years and value the friendships and partnerships that we have gained. Your support and trust in our genetics will always be cherished.

Please join us on Saturday, Feb. 16, for our 20th Annual – and final – Bull Sale.

Order Valentine's Day Pet Grams, proceeds go to M&M Pet Rescue

By KATE JOHNSON

M&M Pet Rescue will be selling Pet Grams for Valentine's Day. Remember in high school when you could purchase candy grams and send them to your friends or crush? Yes, this is like that, but we are showering our pets with the love in-

stead.

The rescue will be hand making and baking dog treats. The ingredients going into these treats are: brown rice flour, unsweetened pumpkin puree, peanut butter, eggs and salt.

The treats will be sold in two different kinds of bags – large breed and small

breed. Large breed will have bigger cookies, whereas the small breed will have smaller cookies.

Minimum donation per bag is \$5. All proceeds will be going to M&M Pet Rescue and the veterinary costs they incur while animals are in their care. Cash or checks made out to M&M Pet Rescue will be accepted.

Over the course of 2018, M&M Pet Rescue re-homed over 40 animals and spent over \$5,000 in veterinary costs getting animals healthy again; spay, neuter, shots and vaccinations.

Cookies can be picked up at the Beulah Beacon or can be delivered – Thursday, Feb. 14.

To place an order text or call Kate at 701-712-1533 – let us know how many, large or small, and if you would like delivery or to pick up.

Make your dog's Valentine's Day extra special with some homemade treats. Orders need to be placed by Feb. 10.

HEALTHY HAPPENINGS

FEBRUARY IS AMERICAN HEART MONTH

Home is where the heart is. Many studies have shown that having positive, close relationships and feeling connected to others benefits our overall health, our blood pressure, weight, and more. For American Heart Month, we want to hear what you do at home with your family to stay heart healthy! Share your words of wisdom on social media using #OurHearts.

Please use this entrance for all services except Physical Therapy. Patient's needing Physical Therapy, will park and enter the facility from the southeast entrance, enter the parking area from 12th St NW.

NATIONAL DONOR DAY - FEBRUARY 14

Valentine's Day has a new meaning when you need an organ transplant to survive. 120,000 Americans currently waiting for precious organ transplants depend on the public to sign up with their state's organ donor registries on National Donor Day every February 14. It's a more concrete way to show love than giving heart-shaped candy, roses and red velvet teddy bears. By donating organs such as corneas, tissue, marrow, platelets and blood; you create a living legacy of your generosity with the ultimate gift of love.

MENTAL HEALTH FIRST AID TRAINING

1 in 3 Americans will be diagnosed with a mental health condition this year. This course teaches people how to give first aid to individuals experiencing a mental health crisis situation and/or who are in the early stages of a mental health disorder. Join us on Friday, February 22, from 8 a.m. - 5 p.m. at the Energy Wellness Center in Beulah. To register call Melissa at 701-873-7788 ext. 107. The cost of this course is free if you live in the service area or have been a patient at the clinic in the last year. Out of service area cost of this training is \$50.

MENTAL HEALTH FIRST AID TRAINING

Friday, Feb. 22
8 a.m.-5 p.m. CST

Energy Wellness Center
1900 Central Ave N Beulah, ND

Would You Know What To Do In A Mental Health Crisis?

Statistically, 2 out of every 10 members of your community will face a mental illness or crisis in their immediate family

This 8-hour course teaches people how to give first aid to individuals experiencing a mental health crisis situation and/or who are in the early stages of a mental health disorder. Participants learn the signs and symptoms of the most common mental health problems, where and when to get help, and what type of help has been shown to be effective.
