Dodge's wastewater lagoon will be reclaimed, increasing the pond depth so it can handle the city's new sewer system.

Dodge applies for BND loan for part of large sewer project

By DIANE NEWBERRY

All of Dodge's dirt is going to be dug up. Or, at least, all of their dirty, 62-year old clay sewer system.

On Friday, Dodge city officials met with KLJ Engineering and Planning to discuss the specifics of an ongoing water, sewer and streets project funded by grants and loans from the U.S. Department of Agriculture.

"There has been a documented history of breaks, blockages and back-ups going back to the 1980's, and the television inspections performed in 2013 show that a majority of the system is in very poor condition and in need of replacement," according to a report by KLJ.

While funding is secured for both phases of the project, city officials needed to decide how they were going to fund specific parts of the second phase of the project, which will replace the entire water and wastewater network. The city received a \$1,771,397 grant from the USDA as well as a \$2,382,000 loan, though the process was delayed by the 35-day federal government shut-down.

While the USDA funding will cover sewers and the repaving of the streets directly above them, officials decided Friday to apply for an infrastructure revolving

“There has been a documented history of breaks, blockages and back-ups going back to the 1980's

– KLJ Engineering and Planning report

loan from the Bank of North Dakota to fund the paving of additional streets.

"If you're going to tear up the streets doing the water/sewer part of it, it makes sense to do the adjacent streets," Tracey Miller of KLJ said. "Otherwise you get a lot of disruption without a lot of surface-visible results and that's challenging when it comes with the price tag that it does."

Justin Hyndman of KLJ told city officials that they will know if they've been selected for funding by the Bank of North Dakota in August, meaning they can start the bidding process for the construction contract in the fall.

There is still a chance that the citizens of Dodge will vote not to pave the adjacent streets, but city officials feel that it is unlikely.

The first part of the project will replace the city's wastewater lagoon. According to KLJ, in the sewer

system's current state, only one third of Dodge's wastewater actually reaches the lagoon. Once the sewers are improved, the lagoon will be inadequate. This phase will be completed in 2019 by Wagner Construction.

The first phase of the project is funded through a \$300,000 USDA loan and a direct grant of \$896,507 through its Rural Economic Area Partnership Program (REAP). North Dakota is one of only three states with designated REAP zones.

"It really gets down to development in rural areas and providing funding that they don't necessarily have to compete with larger-scaled communities so they are pretty cool," Miller said. "We are very, very fortunate to be a part of them."

The first REAP zones were established in North Dakota in 1995, with zones added in New York in 1999 and Vermont in 2000, according to the USDA.

Rough-riders MC Bash with music by Fully Loaded

By KATE JOHNSON

"Some people like to buy corvettes we like to buy motorcycles," said Rough-riders Motorcycle Club President Gordie Guthmiller.

The title of a "motorcycle club" comes with a stigma and Guthmiller stressed that they are just normal people who have a passion for motorcycles.

Rough-riders Motorcycle Club is hosting their annual bash on Saturday, June 8 starting at 10 a.m.

This bash is filled with camping, food, games, drinks, a dunk tank, and a band to complete your Saturday night.

Paying a \$20 fee at the gate will allow a person to set up their tent or camper for the evening and enjoy a beautiful day and night in Riverside Park.

Guthmiller said Rough-riders Motorcycle Club reserves the entire park for their bash. Anyone who comes has access to camp for just \$20, eat at their hog feast, join in on any of the games and enjoy live music by Fully Loaded.

The games for the Biker Rodeo start at 2 p.m. and refreshments will be by the Main Bar. There will be mugs for sale for \$7 which will gain you access to the all you can drink keg beer.

Rodeo games consist of: balloon toss, keg roll, slow race, crank toss and hot dog bite. Throughout the day people can also take part in the dunk tank; and play, giant Jenga and yard pong.

There will also be a burnout contest and the winner for the best burnout is given a prize.

Kimi's Catering will have their food truck set up for the event and there will be a hog roast dinner at 5 p.m.

The barbecue pork will be served with potato salad and baked beans.

After the meal is served the band will start up soon after 7 p.m. and the gate admission will drop to \$10.

Rough-riders Motorcycle Club starts planning this event in October. The event is annual for the club and has been hosted in Beulah for over 10 years; while the event in its entirety has been going on for several decades.

The Rough-riders Motorcycle Club sells raffle tickets throughout the year in anticipation for this event. The items on the raffle equate to nearly \$6,000. Prizes span from guns

to jewelry. Tickets for the raffle are \$10 a piece and sold right up until the day of the event. Tickets can be purchased from any Rough-riders Motorcycle Club member; or call Gordie Guthmiller at 873-5458.

The monies earned from this raffle allow the motorcycle club to give back to those in need and their home community.

Every year, the club gives a donation to a family or two, who have suffered from an accident. Annually they also donate \$500 to Womens Action and Resource Center.

"When people buy [raffle] tickets it tells us they are accepting the club and supporting us; that they are OK with us being part of the community and that just gives us the ability to give back to the community," said Guthmiller.

While the club's members span well past Beulah, Guthmiller said they strive to be positive members in their communities. "I think if you're going to be in the community you need to be apart of it... you just have to do it... the community accepts us and we will do what we can to help the community," said Guthmiller.

Although there is a stigma with the biker name, Guthmiller said they are hoping this event is attended by everyone. Their goal is to bring people into town, as well as gain the acceptance and approval of the community they reside in; and for their own community to enjoy a party hosted by them.

While rain has played a primary role in the last few years of the event, Guthmiller said this is a party that happens rain or shine.

They just won't allow for minors to attend, attitudes to be brought, or pets to join.

This event that is enjoyed by any motorcycle enthusiast, camping lover, or someone who just enjoys a good concert. It's an event for men and women and enjoyed by anyone who attends.

Head down to Riverside Park Saturday, June 15 for biker rodeo games, lots of good food and drink, music and camping.

The Rough-riders Motorcycle Club also hosts a weekly dinner run. Anyone who wants to join is welcome. They typically ride 50 to 70 miles outside of Beulah, eat dinner, and come home. For more information about this contact Gordie at 873-5458.

Bistro reopens in Stanton

New owner brings fresh life to local restaurant

By DANIEL ARENS

Shortly after news came that Charlie's Bistro in Stanton would be closing, there was already discussion about the possibility of the restaurant opening again under a new leader.

Although previous owner Norman Link decided he could no longer continue himself in the leadership helm, he recognized the value the bistro served as a restaurant for Stanton. And even though initial attempts at finding a new owner proved unsuccessful, Mardi Vavra decided this was a niche she could help fill.

Vavra, who live a few miles north of Stanton, has a background in the restaurant business, including having previously owned a little cafe in Zap.

"I kind of missed it," she said. "I thought, 'Stanton needs a restaurant, let's open it'. I decided to just go for it."

This new restaurant, named simply "The Bistro", officially opened last Thursday, in the same location within Coal Country Inn. Vavra plans to both continue the restaurant's legacy as a great place to

enjoy food and company in the rural community, while also adding her own unique "flavor" to the bistro.

The Bistro will be open from 8 a.m. to 9 p.m. seven days a week. Vavra said she also intends to be flexible in her times to meet the needs of her customers.

"It'll be daily specials," she said, with these specials including steaks and walleye, in addition to prime rib offered Thursday through Saturday nights. She also prides herself on the home-cooked meals and soups she provides.

Besides these specials, The Bistro will feature a regular burger and sandwich menu, with breakfast options available all day. Beer and wine will be available for adults, while a kids' menu will be included if the children come along. Vavra also hopes to have fresh homemade caramel rolls on hand.

Vavra will have four other employees working with her in the kitchen, two of which were also employed with Charlie's Bistro.

"I have a one-year lease right now," she said. "I want to give it a try and see how things go this first year."

Photos credit of Daniel Arens

Church ladies from Our Savior's Lutheran Church gathered together for coffee as the first customers at arrive at The Bistro opening day.

Mardi Vavra shows off the specials she offered last Thursday, the opening day 2 for the new Stanton restaurant The Bistro.

CCCHC Construction Update

Coal Country Community Health Center Beulah Clinic will have limited hours of operation to accommodate the final move into the newly constructed CCCHC Clinic in Beulah. Additional providers will be available at the Hazen Clinic during this time for your healthcare needs. Call 873-4445 to schedule an appointment.

CCCHC Beulah Clinic

Friday, June 14th – CLOSED

Starting Monday, June 17th, all Behavioral Health appointments will be at the main Beulah Clinic

Coal Country Community Health Center
 1312 Hwy 49 N, Beulah • 873-4445

STAGE 1 BURN BAN FOR OLIVER & MERCER COUNTIES

As of April 23, 2019 Mercer & Oliver Counties, which includes all Cities within the counties, will be under a Stage I Burn Ban ONLY WHEN the ND Fire Danger Ratings Map shows high, very high, extreme and/or a Reg Flag warning has been issued for Mercer County and/or Oliver County. You can see ND Fire Danger Rating Map if you go to the following website and scroll down to the middle: <https://www.ndresponse.gov/burn-ban-restrictions-fire-danger-maps>

A STAGE I BURN BAN MEANS:

- No controlled burns, no large pit fires and no burning garbage of any kind.
- No throwing cigarette butts or anything out in a grassy area or any area that may start to burn.
- No Special burning permission will be given for any reason.

BUT,

You can have a Campfire in a developed recreational site or improved site, while always keeping an eye on it. You can use grills and units that have an on/off switch in an area that you can safely operate without starting a fire.

Remember even though you are allowed some options to burn this doesn't absolve an individual or organization from liability or responsibility for any fire started by the allowed activity.

AND REMEMBER...

ANY INDIVIDUAL WHO WILLFULLY VIOLATES THIS BURN BAN IS GUILTY OF A CLASS B MISDEMEANOR (NDCC 37-17.1-10.1) PUNISHABLE BY A FINE OF UP TO \$1500 AND 30 DAYS IN JAIL. THE MERCER & OLIVER COUNTY SHERIFF'S DEPARTMENTS ARE AUTHORIZED TO ISSUE CITATIONS TO VIOLATORS.

When the Burn Ban is lifted, we are asking that all controlled burns be reported to the Sheriff's office, 745-3333, when the fire starts and then another call when the fire has been extinguished, Thank You!

Please Visit www.mercercounty911.com for Fire Ban Updates.

HELP WANTED

Country Kettle is looking for a PART TIME COOK Experience preferred but will train right person. Stop by and drop off an application.

140 W Main St. Beulah, ND 873-2233

DRIVE WITH CARE!

Mercer County Weed Control will soon begin spraying for noxious weeds in the county, state and township road Rights-of-Way. The Mercer County weed control equipment and staff will be spraying road ditches within the county. The spraying operations will be conducted over the course of the spring, summer and into the fall.

Landowners and livestock owners wishing to hay road ditches are advised that some of the herbicides used may have haying and/or grazing restrictions, requiring a certain amount of time after application before haying or grazing is permissible, according to label requirements. Owners/Operators with questions on these limitations can contact Mercer County Weed Control officer Brad Seifert at 870-0595, for further information.

The general public is also advised to be watchful for equipment working on the road shoulders and in the ditches.

Ryan Flemmer: 873-5316

HELP WANTED

EMPLOYMENT OPPORTUNITIES - HAZEN PUBLIC SCHOOL

Full and Part-Time Kitchen Help Openings

Hazen Public School District is searching for full-time and part-time kitchen help in the elementary and high school. Hours for the part-time position are from 10:30 A.M. until 1:30 P.M. and full-time hours are 5:45 A.M. to 1:45 P.M. Duties include, but not limited to, preparing and serving meals, cleaning, and washing dishes.

Administrative Assistant

Hazen Public School District is searching for an administrative assistant in the high school. This individual must exhibit strong verbal and written communication skills along with a friendly and positive attitude. The assistant must also have strong technology, organizational, and financial bookkeeping skills.

Full and Part-Time Custodian Openings

Hazen Public School District is searching for the following three positions: full-time evening custodian in the high school building with hours during the school year from 3:00 PM to 11:00 PM, full-time day custodian in the high school with hours from 7:30 AM to 4:00, and part-time custodian in the middle school. This 20 hours a week position has flexible hours during the school year which can be worked between 3:00 PM and 11:00 PM. The summer hours for all 3 positions are from 6:00 A.M. to 4:00 PM, Monday through Thursday. These individuals will perform custodial duties which may include cleaning floors, shampooing rugs, washing walls and glass, grounds keeping, painting, and removing garbage.

Applications for employment are available at the high school office and on the district's website at www.hazen.k12.nd.us. Please send completed applications to Ken Miller, PO Box 487, Hazen, ND 58545 or phone 748-2345 for more information. Positions are open until filled and the Hazen Public School District is an equal opportunity employer. Applicants are eligible for Veterans' preference.
