HEALTHY HAPPENINGS

Renaming of the Convenience Clinic
Effective January 1st, Sakakawea Medical Center will rename the weekend Convenience Clinic to Urgent Care. Urgent Care services will be available on Saturday's from 9:00 a.m. to 1:00 p.m. and can be accessed by reporting to the reception desk located in the SMC emergency entrance during scheduled hours. Services provided through Urgent Care are similar to the services obtained at the Convenience Clinic. In general, medical conditions that are not considered life threatening but can't wait for an appointment with your doctor can be treated at Urgent Care.

January is Cervical Health Awareness Month
Cervical cancer screenings can help detect abnormal (changed) cell early, before they turn into cancer. Most deaths from cervical cancer could be prevented by regular Pap test and follow-up care. Schedule your Cervical Cancer Screening today by contacting your local health-care provider!

January is National Radon Action Month
Radon is a colorless, odorless, radioactive gas that occurs naturally from the breakdown of uranium. You can't see or smell it; testing is the only way to know your level of exposure. Radon has been found to be the leading cause of lung cancer among nonsmokers. The gas enters through cracks in homes, buildings and schools and exposes people to the radiation. Testing is easy and inexpensive. Radon test kits may be obtained at your local Custer Health office, hardware store, online or at the American Lung Association of ND.

"WRT is an equal opportunity provider & employer"

• **WRT MONTHLY SERVICE RATES:** Under the Telecommunications Act of 1996, "universal service" means basic telephone service that is available to all consumers. WRT provides basic and enhanced telecommunications services within its service area. Basic services are offered at the following rates: **Single Party Residence & Business Service - \$22.50/month.** Local residence & business service includes: Voice grade access to the public switched network; flat-rated local exchange service free of per minute charges; access to emergency services such as 911 & enhanced 911; and toll blocking/toll limitation. Broadband internet access service which is the capability to transmit and receive data is available in various packages.

• **TELEPHONE ASSISTANCE:** WRT also offers the Lifeline telephone assistance program for qualifying low-income subscribers who are not already receiving a Lifeline discount from another provider. Lifeline provides a monthly service discount on eligible telephone or eligible broadband service. To be eligible for Lifeline assistance, an applicant or subscriber, one of their dependents or their household must participate in one or more of the following programs: Medicaid; Supplemental Nutrition Assistance Program (SNAP, formerly Food Stamps); Supplemental Security Income (SSI); Federal Public Housing Assistance; or Veterans & Survivors Pension Benefit. Individuals whose household income is at or below 135% of the Federal Poverty Guidelines are also eligible for Lifeline assistance. Toll blocking at no charge and reduced deposits are also available. Additional Tribal Lifeline and Tribal Link Up support is available to those qualifying individuals living on Tribal Lands. Tribal Lifeline/Link Up provides for additional telephone services discounts, and in addition to the previously cited programs, for those individuals residing on Tribal Lands, participation in the Bureau of Indian Affairs (BIA) general assistance program, Head Start, Food Distribution Program on Indian Reservations or Tribal TANF qualifies them for this support. Only eligible consumers may enroll in the Lifeline program. Lifeline applicants must present documentation demonstrating eligibility either through participation in one of the qualifying federal assistance programs or through income-based means. Lifeline recipients are required to recertify their eligibility every year. The Lifeline program is limited to one benefit per household, consisting of either wireline or wireless service. Lifeline is a government benefit program, and consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program.

• **NON-DISCRIMINATION STATEMENT:** West River Telecommunications Cooperative is an equal opportunity provider and employer. In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident. Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audio-tape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English. To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at How to File a Program Discrimination Complaint and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov. USDA is an equal opportunity provider, employer, and lender.

Urlacher Angus & Sales

Powerful Potent... Mature Reliable.

BE PREPARED FOR SEVERE WINTER WEATHER

As road conditions worsen, and with the added truck traffic on area roads, please use extreme caution when traveling.

The recent warm temperatures and sunny skies have been nice – but we all know what’s waiting for us just around the corner – Winter! The cold and snowy season is almost here and the question is – are you ready for it?

You should ... Get a Kit ... Make a Plan ... and Be Informed. Keep a high level of situational awareness by listening to the forecast every day. When snow, sleet, or freezing rain is in the forecast expect that it will impact your day to day routine, and be ready when it does!

Survival Kit For Winter Driving:

Clip 'n' Save

- Coffee can or other empty and clean food can
 - 60-inch length string (cut into 3 equal pieces - used to suspend can)
 - 3 large safety pins (tie string to safety pins and pin to car roof interior to suspend can over candle)
 - 1 candle 2" diameter (place on lid under suspended can for melting snow). Canned Sterno will also work to heat water.
 - 1 pocket knife, reasonably sharp (or substitute with scissors)
 - 3 pieces of bright cloth 2" wide x 36" long (tie to antenna or door handle)
 - Several packets of soup, hot chocolate, tea, bouillon cubes, etc. (mixed into melted snow to provide warmth and nutrition)
 - Plastic spoons
 - Packages of easy to eat, high energy foods like peanuts and candy or canned, ready-to-eat soups or fruit
 - 1 pair of socks and 1 pair of gloves or glove liners; cotton is not recommended because it provides no insulation when wet).
 - Extra clothing and a blanket or sleeping bag
 - 2 packages of book matches
 - 1 sun shield blanket or 2 large green or black plastic leaf bags (to reflect body heat)
 - 1 flash light and batteries (keep separate)
 - First aid kit
 - Toilet paper and sealable container for bathroom purposes
 - Fire extinguisher
 - Small tool kit
 - Ice scraper/snowbrush
 - Shovel
 - Sand or other traction aid
 - Tow rope or chain
 - Jumper cables
 - Road flares or warning lights
 - Gas line antifreeze
 - Large plastic garbage bag
 - Pencil stub and paper
 - Plastic whistle
 - Cellular phone with a charger
- You may want to keep the survival kit in the passenger compartment in case you go into a ditch and can't get to or open the trunk.

Mercer County Sheriff's Dept. Travel Advisories What they mean –

Use caution advisory – is issued by this office when visibility is reduced and driving conditions require that people reduce speed.

No travel advised – means that law enforcement and the highway department have determined that near zero visibility is occurring and/or that the driving surface of the road is blocked or covered with ice and driving is a deterrent

Road closed no travel allowed – (extreme conditions are present) is issued when roads are blocked and vehicles are stuck on the roadway. No travel will be allowed by any vehicle regardless of the situation. Barricades or officers will be blocking the roads leaving and entering the closed area. Drivers going around barricades will receive complaint and summons to district court. Schools, mines and power plants will be notified by phone.

All this information is given to the weather service and television and radio stations as it is occurring.

Winter Weather Terminology

Watch is issued when the risk of a hazardous winter weather event has increased, but its occurrence, location, and/or timing is still uncertain.

Warning or Advisory is issued when a hazardous winter weather event is occurring, is imminent, or has a high probability of occurrence. A warning is used when there is a threat to life or property. An advisory is for less serious conditions that cause inconvenience, and, if caution is not used, could lead to situations that may threaten life or property.

Snow criteria for a warning is 6 inches or more in 12 hours or less, OR, 8 inches or more in 24 hours or less. Snow criteria for an advisory is 3 to 5 inches.

Winter Storm Warnings and Winter Weather Advisories may be issued for a combination of elements like snow coupled with wind and blowing snow, or snow coupled with sleet and freezing rain.

• **Sleet** is pellets of ice. Sleet bounces when it hits the ground.

• **Freezing Rain** is rain that freezes when it hits the ground or objects on the ground. It forms a sheet or glaze of ice.

• **Ice Storm** is used to describe occasions when the ice from freezing rain is significant enough (1/4 inch thick or more) to cause damage

• **Blizzard** is a storm with winds of 35 mph or higher AND visibility frequently below 1/4 mile in snow and/or blowing snow AND these conditions last three (3) hours or longer. There is no set temperature requirement for a blizzard.

Wind Chill is that part of the cooling of a human body caused by moving air. Moving air accelerates the rate of heat transfer away from a human body.

• **Wind Chill Advisory** is issued for wind chills of 25 to 39 below zero with a wind speed of at least 5 mph.

• **Wind Chill Warning** is issued for wind chills of 40 below zero and colder with a wind speed of at least 5 mph.
