Words From Former Governor ED SCHAFFER

I am very disappointed in the effort to disparage Jeff Delzer in his reelection bid for ND Representative for District 8. I have known and worked with Jeff for 30 years and believe him to be a good man and a fine public servant. The lies that are being told about him are disrespectful and offensive - especially this silliness that he is not a conservative.

It has been my experience that Representative Delzer has always been a solid conservative voice in the Legislature. In fact, with the spending sprees in the last couple of Administrations, had it not been for people like Jeff Delzer, the budgets would be much higher. In my opinion, we need more people like Jeff Delzer in the North Dakota Legislature, and if I were a resident of District 8, he would have my vote.
