## Make your ads go further with All-Access Advertising

What is it? BHG newspapers are launching All-Access advertising, where advertisers can pay a small upcharge to get any print ad placed on the BHG website.

Where do ads appear? Advertisers choose between having their ad on the home page of an individual newspaper, the home page of the main BHG site or on every home page on the site. Ads will be at the top of the page, to the right of news stories and photos.

What size ads can be uploaded online? Any print ad can be put on the website. Each ad will have a pop-out display where they can be viewed in a larger size.

Why should you be online? Over 3,000 users visit bhgnews.com each month, with over 600 new viewers visiting the site each week. Online ads offer the opportunity to reach new customers and make an additional connection with print subscribers or those viewing the e-edition.

Fast Facts about BHGnews.com

- Roughly 3,500 users and 7,000 sessions per month
- An average of 650 new users in one week
- Roughly 600 e-edition views per week – and growing.
- 65-70 percent of users are new users, with 30-35 percent being return visitors.

**All-Access Advertising rates:**  
Individual newspaper home: \$5  
BHG home page: \$7  
All home pages: \$10

Contact your BHG advertising representative today to take advantage!

## 12 reasons to Advertise frequently

12. People forget!

11. Frequent advertising helps maintain higher revenue levels in the off season.

10. You can devote more time to each customer if your store traffic is spread out evenly throughout the week.

9. Advertising frequently=higher than average results.

8. Advertising is your smallest business expense, yet without it, your business could fail.

7. You should count the day as a loss if •Your store doesn't open •Your shelves aren't stocked •Your phone is disconnected •Your sales staff doesn't show up •Your ad didn't run!

6. Today's paper is easier to find than yesterday's.

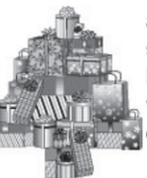

5. Frequent advertising helps you beat your competition.

4. Today's ad may influence but . . . will it close the deal for a lukewarm prospect?

3. Frequency offers you the most affordable rates.

2. Frequent advertising reaches your customers regardless of reading habits.

- and the #1 reason to advertise: People have new wants and needs every day.

For your advertising needs call your local BHG news office.

**Wilton Hold-Up DAKOTA DATEBOOK**

Dakota Datebook written by Merry Helm

December 8, 2021 — The First National Bank of Wilton was held-up by three armed men on this date in 1931. The heist was the sixth attempted bank robbery of the year for the area, but, the Wilton News added, "Robberies this year have not been profitable for the bank bandits."

Evidence of this may be seen in the statistics for the year: police had prevented one attempted robbery at Edgeley, caught the bandits of a Fredonia hold-up, and only one of the remaining three burglaries had resulted in a substantial amount of money taken.

The story was no different for the bank thieves in Wilton on this day who, despite their preparations, snatched only a mere \$500 from a bank containing \$25,000 in currency and securities. The hero of

the day was the bank's vice-president, who, unlike most heroes, ran in the face of danger.

The burglars arrived in Wilton, 28 miles north of Bismarck, shortly before noon and parked near the bank. Closing the bank for the lunch hour, the bookkeeper and a cashier left at noon. When the two employees returned to reopen the bank at 1 o'clock, customer Isadore Polonsky was waiting at the door.

At this time, the three bandits moved their car to a side street nearer to the bank, left the motor running, and entered the bank through the front entrance. The burglars, using handkerchiefs to cover their faces, demanded the customer get behind the counter and ordered him, along with the two employees, to lie flat on the floor.

T. H. Steffen, the bank's vice-president, was in the back room of the bank. When he heard the noise from the hold-

up, he fled through a rear exit to a barbershop downstairs. The burglars were unaware of his presence until they heard the back door slam. Fearing capture, they quickly scrapped their original plan of looting the bank's vault in favor of a quick getaway. They hastily grabbed all of the currency on the counter and ran out the door. Their take was between \$500 and \$600.

The trio made their getaway in a blue Essex and drove to the main highway. As soon as they were out the door, Polonsky, the bank customer, grabbed an automatic revolver from a bank drawer and took out after them into the street. Unfortunately, Polonsky was unfamiliar with the gun model and couldn't disarm the safety. The burglars drove west, and the car was later reported seen near Belfield. The trail was lost at the Montana border.

The bank reported the stolen loot was completely covered by

insurance. Indeed, the bank's insurer capitalized on their payout the following day by running an ad in the Bismarck Tribune. In large black letters was the word "Robbery!" And then, "The First National Bank of Wilton was held up and robbed Tuesday at 1:10 p.m. Loss settled and paid today by Murphy Insurance, agents of Maryland Casualty Company. We write this form of insurance for all classes of Commercial Institutions at a very low rate."
