## FROM THE FRONT PAGES

Stories you may have missed in last week's BHG newspapers

### Agencies anticipate lower lake levels

Spring isn't here yet, but it's fast approaching.

And, if there is not major snowpack in the mountains or moisture from late snow and springs rains in this area, Lake Sakakawea could see lower lake levels.

In order to best prepare for all outcomes, several local agencies have met to discuss a combined strategy to address lower lake levels and the issues with access and erosion that could result.

### Students today, leaders tomorrow

Students today, leaders tomorrow

Local students from Underwood and Washburn competed in the annual Entrepreneur Expo, sponsored by McLean County and Bravera Bank, March 2 in Underwood.

Students created businesses from "concept to completion" in preparation for the expo. Judged by local business owners for cash awards, everything from brand identity to product quality and custom experience were considered among the teams of students participating.

### There's a new superintendent in town

After a brief round of negotiations, North Dakota Department of Corrections & Rehabilitation Director of Education Dr. Penny Hetletved formally accepted the Washburn School Board's offer to serve as the district's new superintendent during the next academic year.

Hetletved successfully countered the board's initial \$131,000 offer with a \$138,500 salary, which the board agreed to. In addition, the new hire will be afforded 20 vacation days, which is actually a step down from the 24 vacation days she's earned at her current post with the state.

### Clarifying coming changes in road funding

Changes are coming through the state legislature for how funding for county roads is handled, and the Mercer County Commission is putting forward a ballot measure to help ensure the county is ready for those changes.

In 2015, the North Dakota State Legislature passed Senate Bill 2144, which took away state levy 1212 (also called Farm and Market or Aid to Secondary Roads). For counties, like Mercer County, that levied for levy 1212, a period of up to 10 years was allowed for the fund to continue, meaning the final loss of this fund will be effective Dec. 31, 2024.

### Commission moves forward with HVAC project

After several meetings of crunching numbers and discussing scope, the Mercer County Commission has officially entered into a contract with a general contractor for heating, ventilation and air conditioning improvements at the county courthouse and jail facility in Stanton.

The 2022 project estimate comes in at just over \$1 million. However, the commission intends to cover all these costs through the ARPA (COVID-relief) money they have received from the federal government.

### Cardinals squeak past Wildcats in overtime

When a game goes into overtime, parents, friends and fans can be certain of one thing, no matter the result – the players have done them proud.

This was the general sentiment of those Center-Stanton Wildcats supporters who saw their boys' basketball team take a flying leap at the Washburn Cardinals during their final game of the season on Tuesday, March 1. In this Region 5 play-in game, the Wildcats missed out on going to the regional tournament in Bismarck by three points.

## Ah, the season of Lent is upon us!

### HELPING WORDS

BY PASTOR  
BRANDON WOODRUFF

I recently heard someone say that the world today looks like, "the hot mess of a dumpster fire." There seem to be ample reasons to be fearful: wars and rumors of wars, illness, the economy, the weather, to say nothing of the more personal struggles with which you may be dealing. The truth though, is that this is nothing new.

The Bible reminds us that, while we try to convince ourselves otherwise, we are not in control. We read in James, chapter 4, "Come now, you who say, 'Today or tomorrow we will go into such and such a town and spend a year there and trade and make a profit'—yet you do not know what tomorrow will bring. What is your life? For you

are a mist that appears for a little time and then vanishes. Instead you ought to say, 'If the Lord wills, we will live and do this or that.'" (verses 13-15)

Yet for those claimed by God's grace, this uncertainty is no reason to fear. "For you did not receive the spirit of slavery to fall back into fear, but you have received the Spirit of adoption as sons, by whom we cry, 'Abba! Father!'" (Romans 8:15) In faith we trust in God, in all circumstances, who has already given us victory through our Lord Jesus Christ (Philippians 4; 1 Corinthians 15:56). The days are uncertain, but God is not. He remains mighty to save.

Especially in these dark and later days, continue to hold fast to the hope that is in you in Christ Jesus even as Christ holds you. Make use of the gifts of Word and

Sacrament God distributes through the church; bring everything to God in prayer. May you find comfort in the promise of Jesus, that while in this world we will have trouble, we can take heart for He has overcome the world. (John 16:33) Together, by God's grace, may we live these and all days in faith, not fear.

"The LORD bless you and keep you; the LORD make his face to shine upon you and be gracious to you; the LORD life up his countenance upon you and give you peace." (Numbers 6:24-26)

Pastor Nathan Schreiber serves St. John's Lutheran Church in Underwood.

## Three McLean Electric Cooperative Director Seats Up for Election

### ARE YOU INTERESTED IN BEING A DIRECTOR?

This year, the three districts up for election are:

**District 1** - which includes the townships of Amundsville, Cremerville, 150-90, 150-91, 149-91, 149-90, 149-89, 149-88, 148-88, 148-89, 148-90, 148-91, 147-90, 147-89, 147-88 is currently served by James Odermann of Parshall.

**District 5** - which includes the townships of Medicine Hill, 148-80, Lake Williams, Wise is currently served by Troy Presser of Turtle Lake.

Pick up a petition at the McLean Electric Cooperative headquarters in Garrison and secure 15 signatures of members from within your district. You can start circulating the petition right away, but it must be filed not less than 60 days before the annual meeting. Petitions for the 2022 director election must be filed with the McLean Electric Cooperative by April 22, 2022.

*According to the bylaws, any member of McLean Electric Cooperative who is a member of this cooperative as a bona fide resident of the district he/she represents and is in no way employed by or financially interested in a competing enterprise can become a candidate for the board of directors. Directors shall be elected by the members at large at the MEC annual meeting on June 21, 2022, in Garrison.*

*Directors have a fiduciary responsibility to the cooperative. They exercise care, time, and responsibility in reviewing cooperative matters. Directors treat cooperative business as if it were their own. Directors devote a certain amount of time to the cooperative. At a minimum, a director attends each monthly board meeting. Directors learn about the industry as a whole by reading other materials and by attending state and national meetings. An understanding of the issues facing the industry is vital. To help directors with their responsibilities, training is offered through the electric cooperative's statewide organization. Courses cover director duties and liabilities, understanding the electric business, board roles and relationships, strategic planning, and financial decision-making. Directors currently serving the cooperative find the duty extremely rewarding.*
