Dakota Recreation Report

BY PATRICIA STOCKDILL
 Outdoor Notes:

•Hunters reminded to put identification on tree stands and blinds when set up on N.D. Game & Fish Dept. WMAs.

•PLOTS guide now available online at the Game & Fish Dept. website with printed editions also available at vendors.

•Anglers reminded to follow ANS regulations, including draining live wells and removing plugs.

•Applications such as Onyx now have updated electronic posting information for the upcoming 2022 hunting season.

•Blue-green algae updates, N.D. Dept. of Environmental Quality: No warnings listed for area lakes but conditions could change daily. Several N.D. lakes have low toxin levels, including Hecker Lake, McLean Co. and Nelson Lake, Oliver Co. Lakes under investigation include Harmon Lake, Morton Co. Go to the agency website, (deq.nd.gov) for more information.

•Sept. 1: 2022 Federal Duck Stamp required for waterfowl hunters 16 years of age and older.

•Sept. 1: Dove season opens.

•Sept. 2: Archery deer and (lottery license holders) pronghorn seasons open.

•Sept. 3: Fort Stevenson Sailing Regatta, Fort Stevenson State Park, Garrison. Contact the park, (701) 337-5576, for details.

•Sept. 10: Grouse partridge, and squirrel seasons open.

•Sept. 16: Youth deer season opens.

•Sept. 17: Youth waterfowl season opens.

Tournaments:

•Sept. 10: Lake Sakakawea, Tobacco Garden; Lake

Sakakawea, Van Hook Arm
 •Sept. 10 & 11: Lake Sakakawea, Dakota Waters Resort.

Fishing:

Lake Sakakawea elevation, Aug. 29: 1,836.15 feet above mean sea level; 21,200 cubic feet per second (CFS) Garrison Dam average daily releases.

Missouri River gauge height, Stanton: River stage, 7.77 feet.

Missouri River gauge height, Washburn: River stage, 9.57 feet.

•N.D. Game & Fish Dept. game wardens: Continued salmon activity on the east end of Lake Sakakawea. Try areas around Sakakawea State Park. No Missouri River reports.

•Lakes Audubon & Sakakawea, Cenex Bait & Tackle, Garrison: Angler numbers slowed on the east end of Lake Sakakawea but those going continue finding walleye in deep water.

•Lakes Audubon & Sakakawea, Hwy. 83 Lawn & Leisure, Garrison: Switch to minnows on the east end of Lake Sakakawea and continue working deep water for walleye in 20 to 40 feet. Move slowly with live bait rigs and minnows. No reports from Lake Audubon with overall activity slowing on both lakes for angler numbers.

•Lake Sakakawea, Dakota Waters Resort, Beulah: Best activity is west, as far as the Van Hook Arm and farther. Look for a switch completely to minnows soon but it's still about a 50-50 minnow and nightcrawlers bite. Try 35 to 40 feet for the best success but also work shallow water.

•Lake Sakakawea, Indian Hills Resort, Garrison: Continued fair to good walleye success. Overall steady activity working deep water with a switch to crankbaits. Try Nishu Bay, mouth of the Little Missouri Arm, or Deepwater Bay. Work shallower on overcast days. Limited weekday hours for the remainder of the season.

•Lake Sakakawea, New Town: Angler numbers slowing in the Van Hook Arm with slower walleye success, as well, as fish remain deep.

•Missouri River, Dakota Tackle, Bismarck: Limited Missouri River activity around Bismarck-Mandan with low water levels continuing to create access issues. Fair salmon success on Lake Sakakawea. Try around Government Bay or Sakakawea State Park.

•Missouri River, Enerbase of Washburn: Most activity remains on Lake Sakakawea for walleye with a handful of anglers still working the Missouri River around Washburn.

•Missouri River System, Scott's Bait & Tackle, Pick City: Missouri River tailrace remains slow for walleye during the day from both boat and shore with small fish still coming from the Spillway Channel. Chutes continue producing catfish. East end of Lake Sakakawea remains fair to good for walleye in 30 feet and deeper. Try slow death hooks and nightcrawlers with bottom bouncers. Move around and work points. OK salmon success with nice numbers of fish. Most activity is around Government Bay with some success yet around Deadman's Bay. Try 70 feet and deeper with flashers and squids.

•McLean Co. arealakes, Cenex of Wilton: Try a mix of minnows or nightcrawlers with most activity on Lake Sakakawea more so than smaller arealakes.

Hunting:

•Early Canada goose season: Lots of activity around the Devils Lake area but not as many birds around parts of central and northwestern N.D.

•Doves: Fair to good numbers throughout many areas of the state.

Numbers to know:

•N.D. Game and Fish Dept., main Bismarck office: (701) 328-6300, website: (http://gf.nd.gov).

•N.D. Game and Fish Dept., Riverdale office: (701) 654-7475.

•Report All Poachers: (800) 472-2121 or (701) 328-9921.

•Friends of Lake Sakakawea, the region's only organization working for quality lake access, weed control and effective partnerships, (www.lakesakakawea.com).

for your community event, Christmas pageant, special celebration, or any other need!

This ad runs in all multi-day & weekly N.D. newspapers for \$700 or less! (full state and regions available.)

Contact the N.D. Newspaper Association: 701-223-6397

ATTN: MAX RESIDENTS

Plan for the City of Max, ND to be without power on Saturday, September 10th

The planned outage is scheduled to take place from 7 a.m. to 12 p.m.

The planned 5 hour outage will allow Otter Tail crews to switch fuses for all transformers, change transformer taps on the transformers in town for the higher voltage provided by the upgraded new substation, and terminate primary underground cable for the new water treatment plant. 280 customers will be affected by this planned outage.

If you have any questions please call 701-681-9382.

The Wilton Pioneer Center is still in need of donations for an air conditioning unit

Please send to Wilton Pioneer Center in care of Sarah Olson, 500 Bookwalter Ave, Wilton, ND 58579

 WRT is an Equal Opportunity Employer

Are you looking for a rewarding career in public service that allows you to work independently while enjoying long weekends nine months of the year? If your answer is an enthusiastic yes then please keep reading!
 The McLean County Highway Department team is looking to fill one or more positions as full-time
EQUIPMENT OPERATOR III(S)
 in the Butte area. Applications will be accepted until position is filled.
 The new team member must reside within 40 minutes travel time of the McLean County Highway Shop in Butte. Under limited supervision, you will perform a variety of skilled and semi-skilled work in the operation of heavy equipment (primarily motor graders) utilized in road construction, snow removal, bridge projects, maintenance and other repair projects. To view the complete job description, visit our website, www.mcleancountynd.gov/employment.
 Benefits of working for McLean County:
 • Competitive starting salary starting at \$49,665.22 with a full salary range of \$49,665.22 - \$68,767.46.
 • Fully employer-funded participation in ND Public Employees Retirement System defined benefit retirement program.
 • Fully employer-funded health insurance for either single or family coverage.
 • Flexible work schedule.
 • Access to employee funded dental, vision, disability, deferred compensation, and flexible medical spending accounts.
 • Paid holidays along with annual and sick leave.
 Preference will be given to applicants with prior experience in operation and routine maintenance of construction equipment such as a motor grader, scraper, dozer, heavy snow plow, semi-tractor/trailer, etc. High school diploma and class A North Dakota Driver's License with tanker and air brake endorsement is **REQUIRED** on the first day of work.
 For further information on the position or to obtain a McLean County job application, interested individuals may contact Lori by phone at (701) 462-8541; via email at lfoss@nd.gov; or visit www.mcleancountynd.gov/employment. Résumés may be included with the application, but will not be accepted in place of an official application.
 McLean County is an Equal Opportunity Employer.
