A stylized illustration of a large, leafy green tree with a thick brown trunk. The tree is surrounded by a bright yellow-green outline, giving it a glowing or highlighted appearance. The leaves are depicted as numerous small green shapes, and the trunk is a solid brown color.

Starring Scarlett Johansson and Channing Tatum, Fly Me to the Moon is a sharp, stylish comedy-drama set against the high-stakes backdrop of NASA's historic Apollo 11 moon landing. Brought in to fix NASA's public image, sparks fly in all directions as marketing maven Kelly Jones (Johansson) wreaks havoc on launch director Cole Davis's (Tatum) already difficult task. When the White House deems the mission too important to fail, Jones is directed to stage a fake moon landing as back-up and the countdown truly begins.... (Rotten Tomatoes). 2h 12m, Comedy/Drama 2024
