### DOUGLAS MAN SUSTAINS FATAL INJURIES IN SIDE-BY-SIDE ACCIDENT

On Thursday at approximately 8:39 a.m. a 2022 John Deere side by side driven by Gorlyn Wohlk, of Douglas, was traveling westbound on 359th Ave SW.

A 2014 Kenworth cement truck attempted to pass the side by side at the same time Wohlk began to make a left turn in front of the cement truck.

The side by side was struck by the cement truck and came to rest in the north ditch.

The cement truck tipped on its side and slid on the roadway blocking both lanes of traffic.

Wohlk sustained fatal injuries as a result of the crash.

### TIMES OF TROUBLE, TIMES OF TRIUMPH: KRUCKENBERG COMPLETES BIG BEND 'TRILOGY'

Following years of research, source checking and double-checking, intensive writing, editing and production, Larry Kruckenberg's third book on the history of Big Bend Country was released last month.

"Let's All Join Hands" covers the history of Big Bend Country (named for the great southward bend of the Missouri River, where the Garrison Dam now is, and comprising much of Mercer and McLean counties and parts of surrounding areas as well). It documents the troubles faced by German immigrants in the World War I and post-World War I years, as well as the prosperity that arrived in the 1920s prior to and up until the Stock Market Crash of 1929.

Answer: Aerial

I am a musician born in England on June 18, 1942. I met one of my future bandmates on the school bus and then joined another friend's band. I would go on to be part of one of the most successful musical groups of all time, until its dissolution in 1970. Afterwards I had a successful solo career.

Answer: Paul McCartney
