Hazel, Not Rated

In March of 1920, just outside of Center, North Dakota, Hazel Miner and her two siblings - Emmet and Myrdith - are getting ready to leave school. The students have been sent home early as the weather has started to turn from a gentle snowfall to what looks like it could be a terrible snowstorm. As the siblings struggle through the wind and snow, their sled overturns into a coulee and the three take shelter to try and survive the night. As they fight to stay warm and awake, their parents and friends work furiously to try and find them before it's too late. Based on the incredible true story. 1h 45m, Drama 2025

ENGINEERING INTERN

Milton R. Young Power Plant

Minnkota Power is seeking one qualified student for a Mechanical Engineering Intern at our

Milton R. Young Power Plant near Center, ND.

The Milton R. Young Station is a two-unit coal-fired power plant, providing a stable energy

source for our cooperative member-owners. The station is located 35 miles from Bismarck,

North Dakota, a growing and progressive city with many recreational opportunities.

This internship would be from May through August 2026.

The individual will assist the plant engineers

in the following:

• Project scopes of work, cost estimates,

schedules and detailed design packages.

• Coordinate the preparation of construction

drawings and specifications for plant process

equipment.

• Design and installation of replacement

equipment.

• Troubleshoot existing systems with Oper-

ations and Maintenance to resolve safety

or production problems with engineered

solutions.

• Periodic performance testing on plant

equipment.

• Use meters, instruments and engineering

tools and equipment to:

o Collect necessary data for plant testing

requirements.

o Analyze test results.

o Make recommendations for modification,

replacement or repair of equipment.

• Provide engineering support to other depart-

ments as required.

Individuals must have received thermodynamics instruction or similar. Good oral and written

communication skills are essential. Individual must possess a valid driver's license.

Must be able to meet the physical and mental requirements of the position.

On-line applications can be found at www.Minnkota.com. Resumes will not be

accepted without a completed application.
