## Two McLean Electric Cooperative Director Seats Up for Election

### ARE YOU INTERESTED IN BEING A DIRECTOR?

This year, the two districts up for election are:

**District 2**, which is a three-year term, includes the townships of Douglas, Blue Hill, Gate, Roseglen, 149-86, 149-85, Saint Mary, 148-86, Blackwater, 147-88, 147-87, 147-86. Clarence Behles currently serves District 2. Clarence Behles is not seeking re-election.

**District 7**, which is a three-year term, includes the townships of Mercer, 146-80, 145-80, 145-84, 145-79, 144-80, 144-81, 144-82, 144-83, 144-84, 143-81, 143-80. Larry Gessele currently serves District 7. Larry Gessele is seeking re-election.

Pick up a petition at the McLean Electric Cooperative headquarters in Garrison and secure 15 signatures of members from within your district. You can start circulating the petition right away, but it must be filed not less than 60 days before the annual meeting. Petitions for the 2026 director elections must be filed with McLean Electric Cooperative by April 13, 2026, by 5:00 p.m.

*According to the bylaws, any member of McLean Electric Cooperative who is a member of this cooperative as a bona fide resident of the district they represent and is in no way employed by or financially interested in a competing enterprise can become a candidate for the board of directors. Directors shall be elected by the members at large at the MEC annual meeting on June 16, 2026, in Garrison.*

*Directors have a fiduciary responsibility to the cooperative. They exercise care, time, and responsibility in reviewing cooperative matters. Directors treat cooperative business as if it were their own. Directors devote a certain amount of time to the cooperative. At a minimum, a director attends each monthly board meeting. Directors learn about the industry as a whole by reading other materials and by attending state and national meetings. An understanding of the industry's issues is vital. To help directors with their responsibilities, training is offered through the electric cooperative's statewide organization. Courses cover director duties and liabilities, understanding the electric business, board roles and relationships, strategic planning, and financial decision-making. Directors currently serving on the cooperative's board find the duty extremely rewarding.*
