Primary Election 2026

The Primary Election for 2026 is fast approaching. McLean County has been a Vote-by-Mail County since 2012 with four polling locations and this will continue for the 2026 Primary Election.

Absentee ballot applications have been mailed to all "active" voters in McLean County. A voter is considered "active" if they appear in the initial central voter file and voted in either of the general elections during the two previous election years. If you received an application, you may fill it out and return it to our office. If you did not receive one, you may complete the application below, call the Auditor's Office at (701) 462-8801 to request one by mail, or complete it online at <https://www.mcleancountynd.gov/departments/election-information/vote-by-mail>. By checking all boxes at the top of the application, you will automatically receive your school ballot, the Primary

ballot in November, and any ballots for special elections held in 2026. Once your application is complete, return it to the McLean County Auditor's Office by mail, by placing it in the secure drop box located at the courthouse's main entrance, or by delivering it in person. Remember to return your voted ballot early by mail, delivering it in person, or drop off in the secure drop box located outside the main entrance of the McLean County Courthouse at 712 5th Avenue in Washburn.

Those who do not check the box for General Election on their application will receive another ballot application around September 16 for the November General Election.

*** Fill out the application COMPLETELY, be sure to include name, phone number, date of birth, ID used, ID number, residential address, mailing address and signature. ***

ENVELOPE AFFIDAVITS WILL BE COMPARED TO SIGNATURES ON BALLOT APPLICATIONS. If signatures do not appear to match, the ballot could be rejected. If the ballot is rejected, the Auditor's Office will do their best to contact you to provide an opportunity to verify the authenticity of the signatures.
