Bring some lawn Chairs!

LOOK OUT!

St. Paul's Fundraising Fleet
may be coming to your lawn in August!

Similar to Flamingo Fundraiser/You've Been Flocked!

- Donate \$49.99 for your very own "Parking Permit" (AKA Insurance). This donation will avoid having the fleet park in your lawn.
- Or donate \$35.00 for a "Parking Fee" to have our fleet arrive at your friend's lawn.
- If your lawn has been ticketed...donate from a sliding scale for the next step!

Contact our office at 701-463-2019 or stpaul@restel.com

THANK YOU FOR YOUR SENSE OF HUMOR AND FOR SUPPORTING THE "PAVING OUR FUTURE" FUNDRAISER!

Hospice Care

At Sakakawea Medical Center Hospice, we believe every moment matters. Our care surrounds patients and families with comfort, dignity, and understanding - meeting them wherever they call home. We focus on easing pain, honoring wishes, and supporting not just the patient, but everyone who loves them. From gentle guidance to grief support that continues after the loss, we walk beside you through it all.

Choosing hospice is not about giving up - it's about choosing presence, peace, and compassionate care when it matters most. You are not alone. We are here to help you navigate this journey with strength, respect and heartfelt care.

PLANT ENGINEER

Milton R. Young Power Plant

Minnkota Power is seeking qualified candidates for a **Plant Engineer**, preferably with a **Bachelor of Science degree in Mechanical Engineering** although other majors will be considered, at the **Milton R. Young Station** located near Center, ND. The Milton R. Young Station is a two-unit coal-fired power plant, providing a stable energy source for our cooperative member-owners. The station is located 35 miles from Bismarck, North Dakota, a growing and progressive city with many recreational opportunities.

- Coordinate the preparation of construction drawings and specifications for plant process equipment.
- Design and installation of new and replacement equipment.
- Work with consultants and contractors as necessary to accomplish engineering objectives.
- Troubleshoot existing systems with operations and maintenance to resolve safety or production problems with engineered solutions.
- Identify technical and operational training needs and initiate action on capital and O & M projects.
- Monitor work activity to ensure it is being done in a safe manner and in compliance with current regulations.
- Assist in record keeping of system work order files, standard drawing and data files.
- Analyze plant data and provide recommendations.
- Monitor and recommend new technology which could improve the efficiency, reliability, availability, and longevity of the power plant.
- Provide engineering support to other departments as required.

A degree in mechanical engineering is required, though related education may be considered. We welcome candidates at all experience levels, including recent graduates and experienced engineers. Previous industrial experience with fixed equipment, particularly piping systems, boilers, and heat exchangers, is preferred but not required.

The salary range for Plant Engineer I begins at \$74,130 per year; Plant Engineer II salary range begins at \$95,226; Plant Engineer III salary range begins at \$106,594; Plant Engineer IV salary range beings at \$119,579; and Senior Plant Engineer salary range begins at \$133,647. Appropriate pay will be determined based on candidate’s skills, education, and previous relevant experience.

Minnkota Power Cooperative makes career growth and development a priority by creating a challenging and rewarding work environment. For more information regarding this job and our online application go to www.Minnkota.com. Resumes will not be accepted without a completed application.

NOW HIRING - EQUIPMENT OPERATOR II & EQUIPMENT OPERATOR III

**Full-Time | 40 Hours Per Week
Excellent Benefits | Work-Life Balance**

Are you ready to build a long-term career in County Government? We are seeking skilled and dependable Equipment Operator II and Equipment Operator III professionals to join our Highway Department based out of Washburn. This is more than a job — it’s an opportunity to grow your career while serving your community.

If you take pride in operating heavy equipment safely and efficiently and want to work for an organization that values development, stability, and work-life balance, we encourage you to apply.

Position Summary
Ideal candidates will operate a variety of heavy equipment to support county projects, including road maintenance, construction, and snow removal. If you have experience with heavy equipment operation and a strong work ethic, we encourage you to apply. The new team member must live within 60 minutes travel time of Washburn.

What We Offer

- Full-time flexible schedule – 40 hours per week
- Great employer-paid benefits, including family medical and retirement
- Paid holidays
- Generous vacation leave
- Paid sick leave
- Stable, year-round employment
- Strong commitment to work-life balance

Why Join Us?
If you are a motivated equipment operator looking for steady work and excellent benefits, we want to hear from you.

Applications will be reviewed on a rolling basis until the positions are filled. Preference will be given to applicants with prior experience, a high school diploma, and a Class A North Dakota Driver’s License with tanker and air brake endorsement.
