With the colonies on the brink of collapse, the Rev. George Whitefield unites an entire generation with his thundering sermons and proclamations of liberty. In a miraculous turn of events, Benjamin Franklin becomes one of Whitefield's closest friends and greatest promoters. With the nation's freedom hanging in the balance, the founders discover true liberty cannot only be written into law -- it must be awakened in the hearts of the people.

NOW HIRING - EQUIPMENT OPERATOR III - GARRISON

Underfill at Equipment Operator II Level Possible Open Until Filled

The McLean County Highway Department is seeking a skilled and motivated individual to join our team as an Equipment Operator III. This is an excellent opportunity for those with experience in heavy equipment operation who are looking to advance their careers in public service. Candidates who do not yet meet the full qualifications for Equipment Operator III may be considered for an underfill at the Equipment Operator II level. The new team member must live within 60 minutes travel time of Garrison.

As an Equipment Operator III, or II, you will operate a variety of heavy equipment used in the construction, maintenance, and repair of county roads, bridges, and infrastructure. Work may include snow removal, grading, excavation, and hauling materials. Safety, efficiency, and teamwork are top priorities.

Preference will be given to applicants with prior experience, a high school diploma, and a Class A Commercial Driver’s License (CDL) with endorsements as required. Starting base salary range is \$61,108.53-\$68,409.01 per year based on experience; if underfilled at the II level starting base salary range is \$53,928.56-\$60,379.60. A full benefit package is offered including 100% employer funded health insurance for an individual or family plan; employer funded participation in North Dakota Public Employee’s Retirement System retirement program; and paid vacation and sick leave. *Candidates hired at the Equipment Operator II level will receive training and may be promoted to Equipment Operator III upon meeting experience and performance requirements.*

Visit www.mcleancountynd.gov to submit your application. This position is open until filled. Applications will be reviewed on a rolling basis, so early submission is encouraged.

The McLean County Highway Department is an Equal Opportunity Employer. Join us in making a difference in our community. Apply today!

PLANT ENGINEER

Milton R. Young Power Plant

Minnkota Power is seeking qualified candidates for a **Plant Engineer**, preferably with a **Bachelor of Science degree in Mechanical Engineering** although other majors will be considered, at the **Milton R. Young Station** located near Center, ND. The Milton R. Young Station is a two-unit coal-fired power plant, providing a stable energy source for our cooperative member-owners. The station is located 35 miles from Bismarck, North Dakota, a growing and progressive city with many recreational opportunities.

- Coordinate the preparation of construction drawings and specifications for plant process equipment.
- Design and installation of new and replacement equipment.
- Work with consultants and contractors as necessary to accomplish engineering objectives.
- Troubleshoot existing systems with operations and maintenance to resolve safety or production problems with engineered solutions.
- Identify technical and operational training needs and initiate action on capital and O & M projects.
- Monitor work activity to ensure it is being done in a safe manner and in compliance with current regulations.
- Assist in record keeping of system work order files, standard drawing and data files.
- Analyze plant data and provide recommendations.
- Monitor and recommend new technology which could improve the efficiency, reliability, availability, and longevity of the power plant.
- Provide engineering support to other departments as required.

A degree in mechanical engineering is required, though related education may be considered. We welcome candidates at all experience levels, including recent graduates and experienced engineers. Previous industrial experience with fixed equipment, particularly piping systems, boilers, and heat exchangers, is preferred but not required.

The salary range for Plant Engineer I begins at \$74,130 per year; Plant Engineer II salary range begins at \$95,226; Plant Engineer III salary range begins at \$106,594; Plant Engineer IV salary range beings at \$119,579; and Senior Plant Engineer salary range begins at \$133,647. Appropriate pay will be determined based on candidate's skills, education, and previous relevant experience.

Minnkota Power Cooperative makes career growth and development a priority by creating a challenging and rewarding work environment. For more information regarding this job and our online application go to www.Minnkota.com. Resumes will not be accepted without a completed application.
