GUESS WHO?

I am a singer born in England on August 22, 1995. I worked as a waitress while living in London. I started posting covers of songs on YouTube. I won Grammy Awards in 2019 for Best New Artist and Best Dance Record, and I've had many hits on the charts. I recently tied the knot.

Answer: Dua Lipa

PROJECT ENGINEERING SUPERVISOR

Milton R. Young Power Plant

Minnkota Power is seeking qualified candidates for a **Project Engineering Supervisor** responsible for providing leadership along with daily oversight, direction, and guidance of the project and engineering services personnel in the engineering department at the **Milton R. Young Station** located near Center, ND. The Milton R. Young Station is a two-unit coal-fired power plant, providing a stable energy source for our cooperative member-owners. The station is located 35 miles from Bismarck, North Dakota, a growing and progressive city with many recreational opportunities.

- Accountable for the engineering department capital projects, O&M projects and outage planning.
- Reviews plant systems to improve efficiency, reliability, availability and load factor.
- Provides technical expertise in problem areas.
- Coordinates with stakeholders to identify capital, O&M and outage projects.
- Assigns project management responsibilities to project staff.
- Manage Station improvement projects, delegating to project staff as required
- Prepares reports and presentations of project activities.
- Identifies technical and operational training needs and initiates appropriate action on capital and O&M projects.
- Performs comprehensive studies of plant, identifying areas needing improvement.
- Provides expertise and some administrative functions in work management software

Position requires a Bachelor of Science Degree in Engineering from an ABET accredited university and EIT certification or an equivalent combination of education, technical training, and experience. Minimum of five years of progressively more responsible technical and administrative experience in project planning, and operation and maintenance of a steam electric generating plant with a Bachelor of Science Degree in Engineering; minimum of fifteen years of progressively more responsible power plant operations, maintenance, engineering support, or project management experience without a Bachelor of Science Degree in Engineering. Experience in managing and supervising power plant projects, tracking budgets, and working with a variety of people is essential.

Minnkota Power Cooperative makes career growth and development a priority by creating a challenging and rewarding work environment. For more information regarding this job and our online application go to www.Minnkota.com. Resumes will not be accepted without a completed application. Closing date to submit applications is August 23, 2026.

The Breadwinner,
Rated PG
A man becomes a stay-at-home dad when a once-in-a-lifetime opportunity takes his wife on a prolonged business trip for one month. With three young daughters and little experience handling their day-to-day needs, he soon realizes that running a household is the toughest gig he's ever had. Comedy, 1h 40m
