NOW HIRING - EQUIPMENT OPERATOR III - GARRISON

Underfill at Equipment Operator II Level Possible Open Until Filled

The McLean County Highway Department is seeking a skilled and motivated individual to join our team as an Equipment Operator III. This is an excellent opportunity for those with experience in heavy equipment operation who are looking to advance their careers in public service. Candidates who do not yet meet the full qualifications for Equipment Operator III may be considered for an underfill at the Equipment Operator II level. The new team member must live within 60 minutes travel time of Garrison.

As an Equipment Operator III, or II, you will operate a variety of heavy equipment used in the construction, maintenance, and repair of county roads, bridges, and infrastructure. Work may include snow removal, grading, excavation, and hauling materials. Safety, efficiency, and teamwork are top priorities.

Preference will be given to applicants with prior experience, a high school diploma, and a Class A Commercial Driver’s License (CDL) with endorsements as required. Starting base salary range is \$61,108.53-\$68,409.01 per year based on experience; if underfilled at the II level starting base salary range is \$53,928.56-\$60,379.60. A full benefit package is offered including 100% employer funded health insurance for an individual or family plan; employer funded participation in North Dakota Public Employee’s Retirement System retirement program; and paid vacation and sick leave. *Candidates hired at the Equipment Operator II level will receive training and may be promoted to Equipment Operator III upon meeting experience and performance requirements.*

Visit www.mcleancountynd.gov to submit your application. This position is open until filled. Applications will be reviewed on a rolling basis, so early submission is encouraged.

The McLean County Highway Department is an Equal Opportunity Employer. Join us in making a difference in our community. Apply today!

PROJECT ENGINEERING SUPERVISOR

Milton R. Young Power Plant

Minnkota Power is seeking qualified candidates for a **Project Engineering Supervisor** responsible for providing leadership along with daily oversight, direction, and guidance of the project and engineering services personnel in the engineering department at the **Milton R. Young Station** located near Center, ND. The Milton R. Young Station is a two-unit coal-fired power plant, providing a stable energy source for our cooperative member-owners. The station is located 35 miles from Bismarck, North Dakota, a growing and progressive city with many recreational opportunities.

- Accountable for the engineering department capital projects, O&M projects and outage planning.
- Reviews plant systems to improve efficiency, reliability, availability and load factor.
- Provides technical expertise in problem areas.
- Coordinates with stakeholders to identify capital, O&M and outage projects.
- Assigns project management responsibilities to project staff.
- Manage Station improvement projects, delegating to project staff as required
- Prepares reports and presentations of project activities.
- Identifies technical and operational training needs and initiates appropriate action on capital and O&M projects.
- Performs comprehensive studies of plant, identifying areas needing improvement.
- Provides expertise and some administrative functions in work management software

Position requires a Bachelor of Science Degree in Engineering from an ABET accredited university and EIT certification or an equivalent combination of education, technical training, and experience. Minimum of five years of progressively more responsible technical and administrative experience in project planning, and operation and maintenance of a steam electric generating plant with a Bachelor of Science Degree in Engineering; minimum of fifteen years of progressively more responsible power plant operations, maintenance, engineering support, or project management experience without a Bachelor of Science Degree in Engineering. Experience in managing and supervising power plant projects, tracking budgets, and working with a variety of people is essential.

Minnkota Power Cooperative makes career growth and development a priority by creating a challenging and rewarding work environment. For more information regarding this job and our online application go to www.Minnkota.com. Resumes will not be accepted without a completed application. Closing date to submit applications is August 23, 2026.
